## Answer

Minister of State in the Ministry of CIVIL AVIATION
(Dr Mahesh Sharma)

(a): The details, zone-wise, of the number of cases of security lapses brought to the notice of Bureau of Civil Aviation Security (BCAS), the regulatory authority for civil aviation security in the country, at various airports in the country during the last three years and the current year are annexed.

(b): BCAS investigated into such lapses on need basis. BCAS brought such security lapses to the notice of the concerned agencies for taking appropriate corrective/remedial action.

(c): BCAS has issued necessary guidelines/instructions from time to time to avoid such lapses. Some of the steps taken to strengthen security arrangements include time bound deployment of Central Industrial Security Force (CISF) at airports, deployment of Quick Reaction Teams (QRTs) at major airports and regular monitoring of security arrangements through inspections and dummy checks.
